#### W. O. Hinton Elected to Council.

Following the acceptance of the resignation of Councilman J. S. Wilson, the Board of Council by a unanimous vote elected Mr. W. O. Hinton as member to fill the unexpired term at the regular meeting of the Council last night.

Mr. Wilson tendered his resignation in a letter in which he stated that inasmuch as he was absent from the city for an indefinite period he deemed it advisable for the board to accept his resignation and elect another member to fill his unexpired term.

Councilman Baldwin moved that the body enter into the election of another member of the Council and placed Mr. W. O. Hinton in nomination. The vote resulted in the unanimous election of Mr. Hinton, who was at once called from his home to the Council and Mr. C. A. McMillan, who with the power of notary, administered the oath to the new official.

Mr. Hinton has in a number of years past filled the office of Councilman in a very commendable manner, and in his election he will assume the position as chairman of the Finance Committee, vice Mr. Wilson. During his former incumbency he was the chairman of the Improvement Committee, in which capacity he devoted much of his time to the interests of the city of Paris.

After the election of Mr. Hinton the body entered into the routine business before it, and received the report of the Police Judge, E. B. January and the report of Treasurer McClure. The report of the treasurer showed a balance of something over \$2,000 in bank to the city's credit.

Permits were granted as follows: Rev. Geo. W. Clarke, frame house, on Cypress between Fourteenth and Fifteenth streets to cost \$1,400; D. S. Henry, three frame houses on Parrish avenue, to cost \$1,000 each, and four one story frame houses on Harmon avenue, to cost \$600 each, K. S. Denton was granted a permit to erect a stable in the rear of his residence on Lilliston Avenue.

Claims amounting in the aggregate to the sum of \$1,041.50 were approved and allowed. An expression of thanks from the Mayor and Board of Council of the city of Millersburg for the kindly assistance rendered by the chief and members of the Paris Fire Department on January 7, 1910, was read.

Property holders along the line of the High Street Extension between Fourteenth and Fifteenth streets were before the Board in an effort to induce the members to assume the expense of building the street. Mr. Wilson in reply addressed the Board in the interest of the property holders but the Council deferred action and referred the matter to a committee composed of Councilmen Baldwin, Link and Hinton, to confer with City Attorney McMillan in the investigation of a contract in which it was stated the city had previously agreed to assume the expense of the construction of the thoroughfare.

The evidence in the case disclosed the fact that Hildreth provoked a quarrel with Roseberry about two weeks ago when they met upon the road near the Roseberry farm and in which it was alleged that Hildreth struck at Roseberry with a whip, which the latter wrested from his grasp, throwing Hildreth to the ground and searching him found on his person a revolver which he took from his possession. Then he states Hildreth threatened his life.

Paris people are going to give these artists a royal reception and the occasion will be one for full evening dress.
